

# HELMDON PARISH COUNCIL TREE WARDEN

## REMIT:

### 1. Planning:

1.1 To make comments to the Planning Committee or the Parish Council on planning applications for proposed works to trees that are the subject of a Tree Preservation Order.

1.2 To make observations to the Planning Committee or the Parish Council on notifications on proposed works to trees in Conservation Areas.

1.3 To comment upon/forward proposals for new Tree Preservation Orders.

1.4 To make observations to the Planning Committee on proposals which would result in a loss of trees and make suggestions regarding how this could be mitigated.

2. To take an interest in the condition of trees on Parish Council land and raise any concerns.

3. Liaise closely with the Parish Council's appointed Contractor for Tree Management.

Note: the Tree Warden does not have to be an expert in tree management and therefore responses given are comments rather than recommendations.
