Hi Freya.

Yes we do own it and maintain it.
However, we are looking at gifting some of our defibs as we have too many to look after now.
We would be happy to pass this on to the Parish Council.
At the weekend I updated the pads with an expiry date of July 2028. Currently it is being checked monthly by a lady called Sophie from the village.

I hope this is something the Parish will take on.
If you have any other questions please feel free to reach out.

Kind regards,

Stuart.

Good morning,

I hope that you are well! Please could you confirm whether you own and maintain the defibrillator on Wappenham Road? We are just in the process of reviewing our defibrillator monitor role and just wanted to confirm a few details.

Best wishes,

Freya Seward
